Product Description

Introduction

ADS China Dental Lab is excited to present our latest innovation – Feldspathic Porcelain Veneers. As a leading manufacturer in China, we specialize in high-quality dental products for the global market. Our veneers are designed to provide exceptional aesthetics and functionality, making them an ideal choice for dental professionals and merchants.

What are Feldspathic Porcelain Veneers?

Feldspathic Porcelain Veneers are dental veneers made from thin layers of custom-shaped porcelain. These veneers mimic the natural color and translucency of teeth, providing a beautiful and lasting smile. Handcrafted by experienced technicians, they offer superior customization and quality.

What Makes Our Feldspathic Porcelain Veneers Unique?

Handcrafted Excellence Our veneers are meticulously crafted by skilled technicians, ensuring perfect shape, color, and finish.

High-Quality Materials We use the finest porcelain, known for its strength and natural appearance. Our materials meet the highest dental standards.

Outstanding Aesthetics Custom-matched to the patient's natural tooth color, our veneers provide a seamless and beautiful smile.

Easy to Apply Minimal tooth preparation is required, making our veneers easy to apply and comfortable for patients.

Long-Lasting Results With proper care, our veneers can last up to 15 years. They are resistant to staining, maintaining a beautiful smile.

Conclusion

ADS China Dental Lab is dedicated to providing high-quality dental products at competitive prices. Our Feldspathic Porcelain Veneers are a testament to our commitment to excellence. We invite merchants worldwide to experience the quality and craftsmanship of our products.
